DXN BRAHMI

Brahmi also known as Bacopa has been used in conventional Indian medicine for many years. It is the most primary Ayurvedic herb used for centuries as Brain tonic. It contains active constituents Alkaloids, Bacosides, Saponins, Nicotinine, B-Sitosterol, betulinic acid, asparitic acid etc.

Benefits of Brahmi:

1. Helps improving mental functions such as cognition, memory, intelligence etc
2. Increases neurological function in the brain
3. Has anti-oxidant & anti-stress properties
4. Helps in relaxing the spasm and muscles in the brain that causes anxiety

Qty	Price
400 mg x 60 tablets	MRP: ₹300.00

DXN GILOY

Giloy or Guduchi (*Tinospora cordifolia*) is a popular medicinal plant, revered in Ayurveda for its high therapeutic values. It is used in the treatment of fever, urinary problems, diabetes, dysentery. It is a rich source of protein and micronutrients, such as iron, zinc, copper, calcium, phosphorus, and manganese. It also contains many secondary plant metabolites, such as terpenes, alkaloids, flavonoids, steroids, and glycosides, which may help improve physical strength, digestion and considered to have properties that helps relieve digestive toxins.

Benefits of Giloy:

1. Anti-oxidant
2. Anti-microbial
3. Anti-bacterial
4. Anti-fungal
5. Supports healthy digestion
6. Helps in maintaining stress & anxiety
7. Normalising physiological function

Qty	Price
350mg x 60 tablets	MRP: ₹340.00

DXN NEEM

Neem or Margosa has got immense medicinal properties. Neem leaf is a traditional herb considered as nature's systemic purifier, supporting the natural cleansing mechanisms of our skin and internal organs. The most important active constituent is azadirachtin and the others are nimbolinin, nimbin, nimbidin, nimbidol, sodium nimbinate, gedunin, salannin, and quercetin which may be useful in promoting healthy skin and digestive wellness.

Benefits of Neem:

1. Very effective for blood purification
2. Acts as a natural detoxifier
3. Anti-bacterial
4. Anti-inflammatory
5. Promotes skin health

Qty	Price
500mg x 60 tablets	MRP: ₹340.00

DXN TRIPHALA

Triphala is composed of the three equal proportion of myrobalans, Haritaki, Bibhitaki and Amlaki. It is one of the most commonly used Ayurvedic preparation.

Triphala being a combination of all three, is therefore balanced making it useful as an internal cleansing & detoxifying formula.

The most important active constituent are tannins, gallic acid, ellagic acid, and chebulinic acid, which are potent antioxidants that may account, at least in part, for the observed immunomodulatory activity of the formula

This may serve as an appetizer and mild laxative.

Benefits of Triphala:

1. Anti-oxidant
2. Anti-inflammatory
3. Helps in internal cleansing
4. Helps in healthy digestion, absorption & metabolism
5. Rejuvenates tissues
6. Acts as a natural laxative
7. May aid weight loss
8. May support eye health
