

# SELLING ONLINE

## Do's & Don'ts

### 1. What is the right way of purchasing DXN products?

Buy from our DXN Branches, Stockists, DXN online.

### 2. Can a Distributor sell in third party sites?

A Distributor should not sell in third party site such as Amazon, Flipkart, Snapdeal, Indiamart and so on. Selling in third party site is against our Rules and Regulations. Also as per the directive of High court Delhi, selling in these sites is prohibited for MLM companies.

### 3. Why selling in third party site is not allowed ?

Selling in Third Party site affects the business of Stockist and other Distributors of the region. This causes Monetary loss for them. Hence selling in Third party site has been banned in DXN.

### 4. What happens if I sell in Third party site?

If a Distributor sells in Third party site, he may face disciplinary action such as Membership bonus hold, Suspension, or even Termination of the Distributor code. We may also take legal action on them to claim Monetary loss incurred to us or to our Distributors/ stockist.

### 5. When many others sell in Third party site, why not me?

The company is now keenly checking the sellers who sell DXN products in Third party site. If the seller is identified as our Distributor, very strict action will be taken on them.
